

STORMWATER SESSIONS LIVE

REGISTER NOW!

Visit: <http://bit.ly/StormwaterSessions>

The Iowa Stormwater Education Partnership is proud to announce our 2019 webinar series! We've compiled a panel of experts from across disciplines to share their knowledge on stormwater practices and research during convenient lunch-hour sessions.

Webinars are eligible for 6 total hours of continuing education or professional development hours, 1 hour per webinar. Sessions are recorded live and available on demand if sessions are missed. All webinars take place from 12 - 1PM central time. For questions, please contact Ben Curtis at bcurtis@iowastormwater.org.
