The **Iowa Certification for Inspection & Maintenance of Stormwater Practices (IMSP)** training program offers a great opportunity for those who inspect and maintain stormwater management practices including both flood control practices (detention, retention and constructed wetlands) as well as infiltration based practices (bioretention, bioswales, rain gardens, green roofs and porous pavement systems). This could include city staff, lawn and landscape personnel, landscape contractors, engineering professionals and owners of private basins, homeowner association representatives, and commercial land owners. Attention: New opportunity to offer to clients!

Program Highlights: Get a comprehensive understanding of stormwater BMPs and learn how to keep them in working order to manage water quality, control flooding and reduce the likelihood of practice failure. The following topics are included: Stormwater management practices and regulations, Iowa Stormwater Management Manual, components, function, inspection and maintenance of BMPs, interpretation of as-built plans, field tour, and tools needed for success.

Certification Benefits & Process: The certification provides recognition as having attended this specialized training and passed the certification exam. An added benefit, your name and contact information will appear on the ISWEP website at IowaStormwater.Org as a Certified IMSP. The process consists of attending the IMSP training, passing the written exam and signing the Code of Ethics.

Recertification Process: The recertification process is easy, attend the second half of an IMSP event.

Registration Fees (Lunch Provided): General Registration fee: \$80.00. ISWEP City Members should use promo code "ISWEP20A" and ISWEP Professional Members should use code "ISWEP20B" to receive membership discounts on registration.

Registration Minimum: 10 people

Cancellation Policy: Full refund or credit of registration fee if cancellation notification is received three or more working days prior to event; 50% refund if notice is received less than three working days prior to event and no refund or credit is given for no notification/no-shows the day of event except in extenuating circumstances. Registration is transferable.
